

Dear Parents and Carers,

Today we welcomed Bishop Emmanuel from the Diocese of Western Tanganyika to our school. He is the Bishop in the area of Tanzania where we have our link school. The children sang African songs, talked about life in Africa and also shared information about life here at Clearwater Primary. We were very lucky that he made time in his busy schedule to come and see us and the children thoroughly enjoyed his visit.

Over the last week, members of our School Council have taken turns to sell poppies on behalf of the Royal British Legion. They will let us know how much we have raised in a couple of weeks. Thank you so much for your generosity supporting this charity. A selection of School Councillors also attended the Remembrance Service led by Reverend Mark at St. James' Church last Thursday.

Our reception children have been very lucky to receive two donations. Thank you, Ms. Thomas and Mr. Warner, for the amazing Diddy Bikes that you have so kindly given. The children absolutely love them. Thank you also to Mr. Collis Pritchard for the wonderful wooden construction equipment. Again, the children can't wait to build and climb on their creative structures. Your generosity is very much appreciated.

Road Safety Week is next week. Children will be learning about how to keep safe when out and about. Our younger classes will be teaming up to work on this together, whilst our older classes will be revisiting key messages.

As we approach Christmas, we will again be supporting the 'Hamper Scamper' Appeal that is run by CCP (Caring for Communities and People). Hampers are made up from donations and given out to families and individuals who need them to make their Christmas special. If you would like to donate any food, toiletries or small children's gift items please bring them into the foyer where we have a donation point. Thank you again for supporting the School Council's chosen charity.

You will also find attached Move More's latest information on 'Picky Eaters'. Please do have a read. There is also an invitation to their latest webinar which looks at boundaries and defiance. We do hope these are helpful.
