

Dear Parents and Carers,

It's hard to believe that the first half term of the year is nearly done. The children have worked so hard in their new classes, as I'm sure you heard at your recent parent evening meeting. After working so hard I am sure they are very much looking forward to the break. School will be closed on 26th and 27th October for inset days, followed by the half term holiday. We return on Monday 6th November.

We are delighted to share with you a new NHS Gloucestershire funded service Lumi Nova, designed to support young people's mental health and wellbeing for those aged 7-12 (years 3-7). There is more information in the letter attached. In brief, it is a free intergalactic adventure game, where players step into the shoes of a newly recruited Luminaut and start an exciting adventure through space – they travel to different planets, meet new characters, solve puzzles and attempt challenges, helping them to fight fears & manage worries along the way. If you think your child would be interested in playing this please do read the attached information.

You will also find attached some information from Marijana at Move More. She is running a 'Picky Eaters' programme that we hope will be informative and helpful. Please do take a look.

After half term, the school council will be selling poppies to raise money for the Royal British Legion charity. As usual, children will come around to each class after lunch with the poppies and the donation pot.

The children have decorated poppies to contribute to Tesco's remembrance display in their window, so you may be able to spot these when you do your shopping.

A massive thank you for all your harvest donations. They have been collected today and will make the world of difference to families in Gloucestershire.

A new date for your diary is the Christmas Fayre, which will be on Friday 24th November from 4.00pm – 6.00pm, it promises to have all the traditional delights.
